

**RAPORT KOŃCOWY
Z REALIZACJI PROJEKTU BADAWCZEGO
W RAMACH DOTACJI PODMIOTOWEJ NA DZIAŁALNOŚĆ
STATUTOWĄ / FINAL REPORT FROM THE REALISATION
OF THE RESEARCH PROJECT FUNDED FROM THE
SPECIFIED-USER SUBSIDY FOR STATUTORY RESEARCH**

1. General information

Project no.:

Title:

Head of the research:

Key words:

- 2. Primary researchers and contributors:** *(team members, title, name, last name, including technicians and remaining personnel)*

- 3. Accomplished research tasks** *(description of the conducted research, methodology applied, planned results)*

- 4. Description of the results** *(description of the results with reference to the effects of the work presented in pt. 5 and 6)*

- 5. Publications resulting from the research** *(give here also no. of pages per publication.)*

- 6. Other ways of disseminating the results** *(e.g. conference participation, etc.)*

- 7. Conclusions concerning the continuation of the project** *(goals and scope)*

8. Balance sheet of planned and actual costs (PLN)

Item	2018	
	Planned	Incurred costs
1	2	3
Direct costs of project realization, including:		
- salary and related costs		
- other direct costs		
Indirect costs		
Total costs of realization		

Head of the research

.....
(date and signature)

1. Commission members:

1.
2.
3.

2. After reviewing results of the research presented on (date) The Commission concludes that:

- a. The research has been conducted appropriately and according to the timeline, and its results have been well documented.
- b. The research has not been properly conducted / not according to the presented timeline.
3. The Commission moves that the research be accepted.
4. The Commission moves that further elaboration of the research be requested.
5. The Commission moves that the research be rejected.
6. Documentation of the research is under scrutiny by the research initiator.

Approved
